VERSION 1.0 • 2026

This document serves as the official Knowledge Base source for the automated customer AI assistant, support agents, and customer service teams. All information contained herein reflects verified brand formulations, quality metrics, payment processing flows, and store policies.

## 1. Core Product Line & Formulations

### Hydrating Lip Gloss

Non-sticky, hyaluronic acid-infused ultra-shine formula. Delivers 8-hour continuous hydration with a reflective glass finish. Available in 6 versatile, sheer-to-medium shades.

### Long-Wear Lip Tint

Lightweight, transfer-resistant stain fortified with natural jojoba oil. Smoothly blends on lips to deliver buildable, natural color that lasts up to 12 hours without drying.

### Dewy Cream & Liquid Blush

Soft-focus formula blended with Vitamin E and squalane. Seamlessly melts into skin to provide a healthy, radiant flush suitable for all undertones and skin types.

### Volumizing & Lengthening Mascara

Smudge-proof tubing mascara engineered for sensitive eyes. Delivers intense volume and length without clumping. Easily removed using warm water without harsh rubbing.
